FORWARD

Christmas will soon fill the air with its good tidings of joy and peace. Assiniboia Highlights is happy to join in, bringing to Parents, Friends, Staff and Students the most sincere wishes for a Merry Christmas and a Happy New Year.

The first school term of 1960-61 tells highly of the good work performed at the Assiniboia Indian High School.

Thanks to the devoted Staff, and congratulations to the students. No better gifts can be presented to the Child in the crib than the offering of our Good Will proved by our good works.

The Christmas Holidays bring to one and all, times of well deserved rest.

May the Infant Jesus and the Virgin Mother protect and guide you on your way home, at home and for a happy return.

Many of our students will not enjoy family gatherings. On the other hand, Assiniboia will do its utmost to compensate by its family atmosphere.

Merry Christmas and a Blessed Happy New Year.

The Principal.

O. Robidoux
O.M.I.

Dear Friends:

In the last edition, I stated that the task of an editor of a school paper is simply striving to obtain as much cooperation possible, from the staff of the Assiniboia Highlights. Furthermore, it is through the sedulous efforts of every member that this journal is made possible. This being made clear, I have now the pleasure to introduce the staff of the Highlights;

Designers.....	Isias Bee.
	Mary L. Sinclair.
	Billy Mamagiesic.
Printer.....	Dorothy James.
Post Master.....	Louis Watt.
General News.....	Marie T. Moosetail.
Class News:	
Grade XII.....	Elizabeth Menow.
Grade XI.....	Margaret Fontaine.
Grade X.....	Mary L. Beaulieu.
Grade IX.....	Ethel Sutherland.
Grade VIII.....	Esther Nipinak.
M.A.M.I.:	
Senior.....	Louie Cheesequay.
Junior.....	Selma Francis.
Sports:	
Girls.....	Roxanna McKay.
Boys.....	Mathew Beaver.
Cadets.....	Carlson Flett.
Music.....	Iris Henry.
Home Economics.....	Janet Guimond.
Manual Training.....	Wilfred Mousseau.
Typist.....	Helen Nanowin.
Advisers.....	Staff.

Moreover, you will notice that the sub-editors at times do not write the articles, but they are, nevertheless, responsible for this section.

Lastly, we are hoping that you will enjoy our Christmas edition, and we are wishing everyone a Merry Christmas and a prosperous New Year!!

John Henry.

GENERAL NEWS

October 16; Our Assiniboia football team defeated the St. Norbert Oblate Novices.

October 18; Dr. Ling, the eye specialist, arrived this morning and we will keep him occupied for the next few days.

The first fall of snow in Winnipeg announces that winter is near.

October 19; Our boys' two supervisors, Mr. L. Marchildon and Mr. R. Jubinville, were out all day admiring the beautiful autumn scenery. We are not sure whether it was intended to be a hunting trip, but anyway, they came back empty handed. Mr. Jubinville later admitted that he had had much sympathy for a rat and therefore let it go.

October 20; Our football team triumphantly defeated the Fort Osborne Barrack's team by a close score of 19 - 12.

October 22; The entire group attended the "Passion Play Of Jesus" by Josef Muir at the Play House Theatre. Josef Muir and his cast are universally known and their performance was marvellous.

October 23; Our football team was crushed by the Barrack's team by a score of 30 - 0. Our boys played their game the best they could, but could not overcome their powerful opponents. The very poor shape of the field with about five inches of snow on it slowed down the movements of our boys considerably.

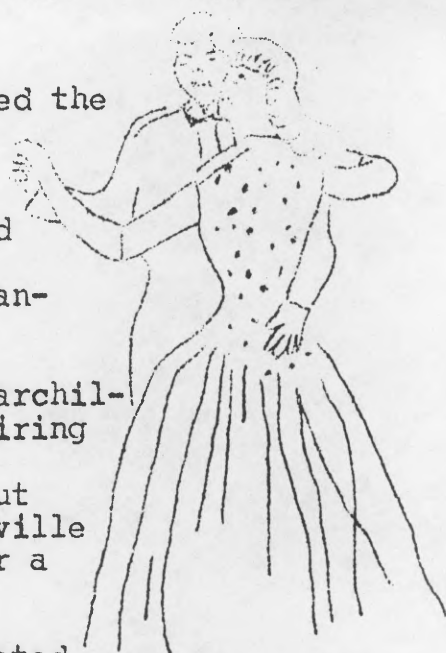

October 26; Our annual retreat started this evening. Our preacher is Rev. Father Lacelle. We appreciate his taking some of his precious time to attend to our spiritual lives.

October 27; Teachers' Convention starts here today. Many of our former teachers are present to attend a two day convention.

The pupils of Assiniboia School are selling chocolate bars to raise the funds for their extra-curricular activities. The first day's result encourages the students, because our neighbours are more than ready to help.

October 29; Our retreat ends today.

October 31; The main topic of discussion today concerns a Halloween Party. All day not a word about it was uttered by the staff.

General News Continued.

To our surprise, our supervisors and teachers had everything ready for a party when we came out of the chapel this evening. We all had a wonderful time.

November 3; Our football team defeated St. John's Ravenscourt by a wonderful score of 19 - 0.

November 5; To end the football season, three car loads of football players are leaving for Lebret this morning.

November 6; Assiniboia's reign in the west came to a tragic end when the powerful Lebret Indians defeated our football team.. Nevertheless, it was a splendid game and, most of all we enjoyed our visit, because of the wonderful reception made to us by the students of Lebret.

November 8; Our rinks are erected today and flooding will probably commence tonight depending on the kindness of Old Jack Frost.

November 13; This afternoon we have our first skating party. Even though our ice was not in perfect condition as yet, we enjoyed ourselves tremendously.

November 15; A group of singers from the Hydro Commission entertained us for an hour with great variety of songs. Their demonstration was just marvellous.

December 3; This morning our Midgets were overcome by River Heights and this afternoon the Intermediates defeated Broadview by a score of 16 - 3.

December 4; Juveniles won a hockey game over the Mennonite Brothers.

December 9; A general rehearsal was held this afternoon for our Christmas concert which is to be held on Sunday.

December 10; We had two hockey games today. Our Midgets subdued Tuxedo by a score of 6 - 3. Juveniles won our St. John's Ravenscourt with a score of 6 - 5.

To all our readers, I wish to say Merry Christmas and Happy New Year.

Joe Guy Wood.

A youngster, being dressed down for a poor report, asked: "What do you think the trouble with me is, Dad- Heredity or environment?"

Small boy to father: "Here's my report card and one of yours I found in the attic."

M.A.M.I.

SENIOR GROUP:

Hi!

Well, another edition of "Assiniboia Highlights" and more news of the M. A. M. I. for you, dear readers. Since the last issue, the Committee had had four meetings that I will scan briefly. The gatherings were held every two weeks and usually on Sundays.

Our meeting on October 16 saw Mary Louise Sinclair, our enthusiastic Missionary Leader, at her responsibility of providing rosaries and medals to her fellow students. After a twenty minute discussion, the groups came up with the resolution to offer a special decade of the rosary for the conversion of Russia.

October 30- The topics of this session were on the All Saints and All Souls' Days. The spiritual leader, Oliver Nelson, conducted the group discussions on the Saints whom we commemorate on Nov. 1st. Steve Jourdain headed the Apostolic section with discussions about the Souls in purgatory. The following resolution was adopted; to visit the Blessed Sacrament on All Souls' Day to say the prayers recommended for that particular day.

November 20- President J.G. Wood suggested that posters be made in order to remind the students of the resolutions proposed and agreed upon. The resolution was, "Talk Loud, At all times."

M. A. M. I. Continued.

In the last meeting held on December 4th., the centre of interest was the Blessed Virgin Mary, whose Immaculate Conception we celebrate on Thursday, December 8th..

Following each meeting, the social leaders, Isias and Muriel prepare a pleasant evening by having volunteers participate in various party games or having some of the school talents entertain the group before the square dancing commences.

In concluding the M.A.M.I. report for this issue, I would like to take this opportunity to wish a Merry Christmas and a Happy New Year to all the readers of the "Assiniboa Highlights".

Louie Cheesequay.

JUNIOR GROUP:

Dear Readers;

Due to lack of time, our editorial was not released with the other articles in last October's edition. The beginning of this year marked the first time the M.A.M.I. Association was divided into two groups, namely, the Senior and Junior. The results of the elections among the Junior group were as follows:

President.....	Audrey McPherson.
Vice-President.....	Robert Jourdain.
Secretary.....	Bernice Burns.
Apostolic.....	Billy Mamagiesic.
Spiritual.....	Elaine Perreault.
Missionary.....	Joseph L. Flett.
Social.....	Cecil Desjarlais.
	Selma Francis.

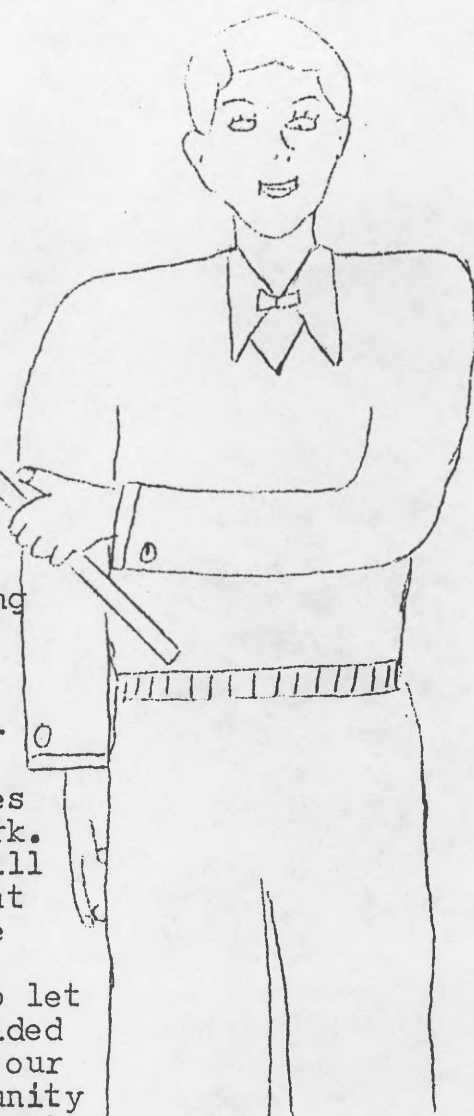

The bulletins are the very same for the Senior and Junior students; therefore, the topics of discussions are identical. Most of the times, though, the particular point to work on- the resolution- will differ.

The activities for the social section of our M.A.M.I. meetings usually consist of games, singing, and dancing. Games such as the musical chair, the strapping game, cup dance, the life-saver dance, and a beauty contest are among the several that are played. We have popular western songs sung by our vocalists. Guitar playing is also often on the programme. For dancing we have waltzes, square-dances, and sometimes a schottisne. As the weather was just ideal, on December 4th., the boys and girls had a skating party. What a fine and enjoyable hour for everyone!! So far, all our meetings have been successful as we have derived so much benefit from them.

With the approach of the Christmas festive season, may I take this opportunity of wishing you and yours a very Merry Christmas and a Happy New Year! May God pour on you his most wonderful blessings.

Selma Francis.

Merry Christmas
 &
 Happy New Year
 from Our
 Classrooms

GRADE XII.

Dear Readers;

Another opportunity has come to bring to your attention all what is happening in our Grade XII classroom.

We were kept very busy by our first term examinations at the beginning of November. Everyone of us is trying his utmost to study very hard because he realizes that he will succeed only through hard work. Success is what we are aiming at and we will achieve our goal if we study hard enough at the beginning as well as at the end of the school term.

Grade XII students are very proud to let you know that our kind Principal has provided us with desks spacious enough to hold all our books. We would like to take this opportunity to thank Rev. Father Principal for this highly appreciated improvement. Yvonne, our small, but intelligent classmate had to use a higher chair because the desk was too high for her. Now, Yvonne, do you feel comfortable on that special chair???

Rev. Father Principal visited our class at the occasion of the reading of the marks. According to him, the marks of each pupil are about the same in each subject. He gave a short speech which was replete with many encouraging words.

For our Christmas concert, an Indian scene of the Nativity of our Lord is under preparation. It is a great honor for the Senior High girls to have been chosen to represent angels at the occasion. The Grade XII boys are also participating in an interesting play.

May all the readers of Assiniboia Highlights receive the heavenly blessings the Holy Infant bestows abundantly on all those who welcome his coming on earth. Merry Christmas and Happy New Year.

Muriel Sinclair.

Class News Continued. Grade XI.

Hi Friends;

It's a great honor for us once again to tell you some of our latest incidents in this second edition of Assiniboia Highlights. The grade eleven students are enjoying themselves in Science equipment since they have covered almost half of the course.

Every Friday morning the students have the pleasure of marching down to the laboratory where the teacher is already waiting.

Sister Tougas is doing marvellous work in explaining "Macbeth", a Shakesperian play which is rather difficult to understand. But, two weeks before the students began the play, they had the privilege of seeing the play on television which has been very beneficial to them.

A hearty welcome to Carrie Seymour who has joined us recently. With her great ambition, we all think she'll have success through the year. Good luck Carrie and keep up your good work.

The grade eleven students will be participating in the various performances of our annual concert in honour of our dear Father Principal. The boys and girls have been rehearsing since the past weeks and the directors seem pleased with the enthusiasm shown by the actors. With much confidence we all hope it will turn out to be a wonderful success.

With much excitement, everybody seems to be looking forward to the Christmas Holidays. The majority of the students will be home and a few unfortunate ones will be staying as it is too far for them to spend their holidays with their beloved ones. With the Christmas spirit we are all sure they'll be happy here in Assiniboia.

Until the next edition of Assiniboia Highlights, we all wish you a Merry Christmas and a Happy New Year.

Paul Emile Wood.

GRADE X:

Hello, once again!

Here we are again with another edition of "Assiniboia Highlights". We hope you will enjoy reading it from cover to cover.

Now that the tension caused by our first term tests in our class has passed over, we are back to normal again. Whew!! We were quite satisfied with our marks.

We will certainly try to make our Christmas tests a little better than the previous ones. Incidentally, we shall have our tests only after the holidays.

One of our classmates was in the hospital for quite awhile on account of appendicitis. However, she is back with us again, looking well and happy.

Everyone is looking forward to the Christmas holidays with great fervor. Nevertheless, we are still trying to work hard, and this helps in speeding time away so our holidays will be here sooner than we realize.

Our teacher commented on our class-room spirit which has improved quite alot since the last edition. Bravo, Grade X!!

Even though our class is the most crowded room in the school-block, we hardly make any news.. That is, news worthwhile passing on.

Class News Continued.

Grade X.

So...on behalf of the Grade X class, I would like to express my sincerest wishes for a very Merry Christmas and a joyful New Year.

Lillian Jack.

Grade IX:

Dear Parents;

We in grade nine salute you with our class news. A few days ago Rev. Father Principal did come to visit our class to read to us our marks from our October examinations. Barbara Perrault came first and Selma Francis came second. Father gave us a few words of advice and told us to study the subjects we were low in.

Unfortunately some students from this class ill. Jean Sinclair had an operation on her foot and had to stay in bed for a few days.

Raphael Bruyere had a severe cut in his hand and had to be taken to the Hospital to get some stitches in it.

A few students were fortunate to go home for a weekend on November 11th.

We are preparing ourselves for our Christmas concert. Some are in a play, others will demonstrate a dance, while others will sing.

Fortunately we have some very good carpenters in the classroom. Joseph Leonard Flett, George Clearsky tried to develop the art of bow and arrow making. They certainly did a good job. The articles were for our Christmas concert.

Many new sets of glasses were given by the eye specialist to the boys and girls of this classroom. Let's hope it will help us.

Merry Christmas and Happy New Year to all.

Elaine Guimond.

Grade VIII:

Here is a short introduction of all new pupils, 1960-61.

Catherine Linklater- hails from Pakitawagan, Manitoba. She possesses a very charming personality. We all appreciate her quiet, pleasant manners. She can truly be considered one of the hard working group of our class. She is seventeen years old.

Angela Roulette- hails from Sandy Bay, Man. She is fifteen years old and a good worker. We are fortunate to have her with us. She is helping us out in our Christmas concert with singing.

Maggie Jane Wood- hails from Island Lake, Man. She is fifteen years old. Remarkable for her ready smile, Maggie is sure to succeed both in her grade and in her future career. Puzzles and skating receive most of her recreational hours.

Mary Edna Flett- is fourteen years of age and hails from Island Lake. Her favorite class subjects are French and Spelling. Here is a girl with fine qualities plus good sportsmanship. How many library books

Class News Continued. Grade VIII.

have you read Mary.....????

Bernice Henry- is our youngest girl at Assiniboia. She is thirteen, very friendly, smiling. She hails from Roseau River, and My!!
What a steady, quiet worker.

Bella Hart- comes from Norway House. She is sweet sixteen now. Bella seems to be working for first place in exams. Favorites; Skating, French, "cleaning up."

Helen Hart- Fourteen years old. Helen is a quiet, smiling student. We admire Helen's polite manners; she hails from Nelson House, Man..

Madeline Spence- Tall, dark haired Madeline is from Nelson House. Hobbies: skating, radio-playing and a not too infrequent peek in the mirror.

Lydia Thomas- is fifteen years old, hails from Cross Lake. This hard working student is a good classmate. Her ambition is to succeed in her eighth grade.

Abigail Hill- may it please you to meet a future nurse. Abigail enjoys Science, but finds it difficult at times. Her winning smile will surely be an important asset to her future career.

Allen Lynxleg- Fifteen year old Allen seems to be quite well-adapted to our "Assiniboian" routine. The proof?? He has first rank to his credit. Will he keep it?????

Rodney Spence- A friendly chap from Nelson House. Rodney is fifteen years old. This classmate intends to work hard to pass his grade. This student has numerous friends.

Maggie Maude- Sweet sixteen till January thirtieth of the new year. Maggie hails from Skownan. hobbies: dancing and teasing.

Ernestine Seenie- This dark haired, dark eyed student hails from Roseau River. She enjoys baseball in summer, but, during the winter season, her heart goes all out to skating.
Future career: Ernestine has hopes of becoming an actress.

Billy Flett- Here is a boy who likes skating. Sixteen years old and ambitious in classwork, Billy is from St. Theresa Point. Everybody likes Billy.

Harvey Severite- sixteen years old. His home is in Timberton. He is an active fellow in and out of class. Nobody can refrain from laughter when this classmate is around.

Joseph Bichetty- Age: sixteen. Joseph's favorite sport is skating. Pakitawagan is his home town.
Hobby: Inventing tricks.

Grade VIII Class News Continued.

Lawrence Watt- A tall, good-looking fifteen year old lad from God's Lake. Lawrence has a very pleasant "law" voice in class.

Charlotte Grieves - She hails from Oxford House. Quiet, Charlotte laughs readily. Will our fifteen year old classmate receive a musician's degree later on??
Hobby: Using erasers.

Catherine Yellowback- Catherine, a tall girl from Wabowden, is fifteen. She is doing fine work in school. She is friendly with all. Social Studies have her preference.
Hobby: An earnest desire to see everything.

Etienne Robinson- A gay friendly lad from Cross Lake. This pupil is ambitious in his studies and works accordingly. Success is for a chap like Etienne.

Philip Castel- He is the smallest and youngest pupil at Assiniboia. Apparently, he has been unanimously acclaimed "the most popular boy in school".

Roderick Ratt- This tall lad is from Pelican Narrows, Sask. Very quiet pupil.

Mary Helen Roulette- Is one pupil that is never late with her assignments. She is a serious worker.
Hobbies: Reading- Composition- French translation.

Cecil Paul- A tall lad from Vagar. Rather quiet in class- talk--ative elsewhere. His hobbies are teasing people and writing letters.

Ambrose Wood- Meet a classmate who is friendly in his own quiet fashion. A conscientious pupil, Ambrose aims to pass his eighth grade. Hobby-to-be: Instantaneous smile.

Caroline McKay- Sixteen, Caroline is from Valley River. An attractive bashful girl though she not only enjoys listening to jokes, but also has some to tell.

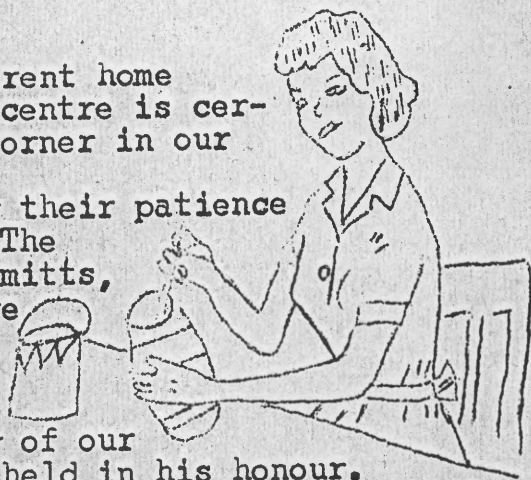

Kindly accept, Reverend Fathers, Sisters and dear teachers, our sincere thanks for all your charity. To all, a holy and joyous Christmas season!!

A big game hunter in Africa was on his way back to camp one night when an enormous lion walked out of the jungle not twenty feet away. As the lion was about to spring, the hunter fired his last cartridge and missed. The lion sprang too far and landed fifteen feet beyond the hunter, who then ran for camp and got there safely. The next day the hunter went behind the camp to practise a little shooting at close range. He heard a strange noise in the brush and investigated. It was the lion-practising short leaps.

HOME EC

We wish to inform you on our different home economic activities. This home economic centre is certainly one of the busiest and happiest corner in our school.

The grade ten girls are practising their patience and skill on embroidered pillow cases. The girls of grade nine are knitting socks, mitts, and gloves. The girls of grade eight are cutting and assembling pyjama patterns. All of us have been baking cakes and cookies for Christmas.

November 19th. marked the birthday of our Father Principal. A special concert was held in his honour. We were also happy that his relatives were present for this great occasion.

A social evening like this wouldn't be complete without songs, dances, food and a table delicately set. We owe the success of this memorable evening to our patient teacher Mrs. Levreault.

The table was nicely set. It was covered with white linen. Sparkling silverware and glittering candle flames contrasted beautifully with the bright pink flowers. Next we arranged colorful appetizers on the table. We also made ham and chicken sandwiches which pleased appetites as well as the eyes.

Many various kinds of cookies placed on fancy plastic doilies crowned the table. A large white birthday cake was placed in front of Father Principal's place on the table. The sides of the cake had light tints of pink cherry icing. Above the table hung a sign which read "HAPPY BIRTHDAY".

My dear friends we will now leave you until next time.

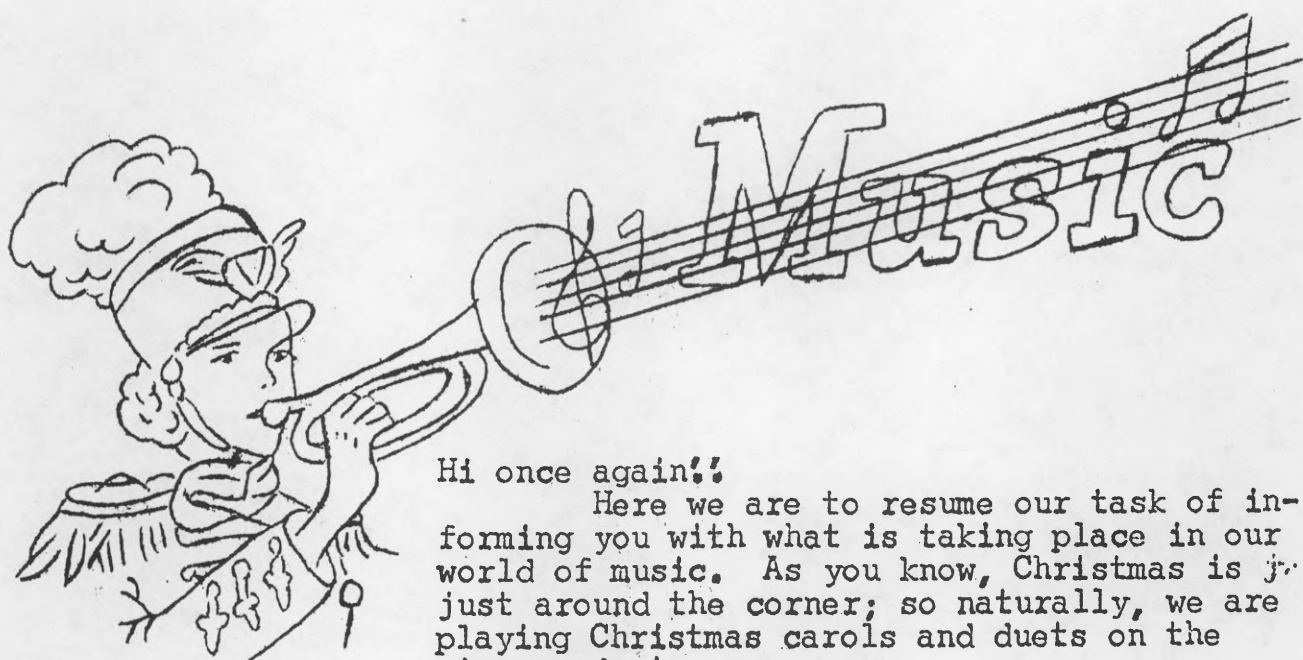

The home economic girls wish each and everyone of you a Merry Christmas and a Happy, Happy New Year.

Janet Guimond.

A father received a birthday parcel from his son away at school. Inside was a set of inexpensive cuff links and a matching tie-pin with this note: "Dear Father: This isn't much, but it's all you can afford".

One bird, perched on telephone wire, to another: "Did you ever notice the way some people's voices make your feet feel funny?".

Hi once again!!

Here we are to resume our task of informing you with what is taking place in our world of music. As you know, Christmas is just around the corner; so naturally, we are playing Christmas carols and duets on the piano and pianorgan.

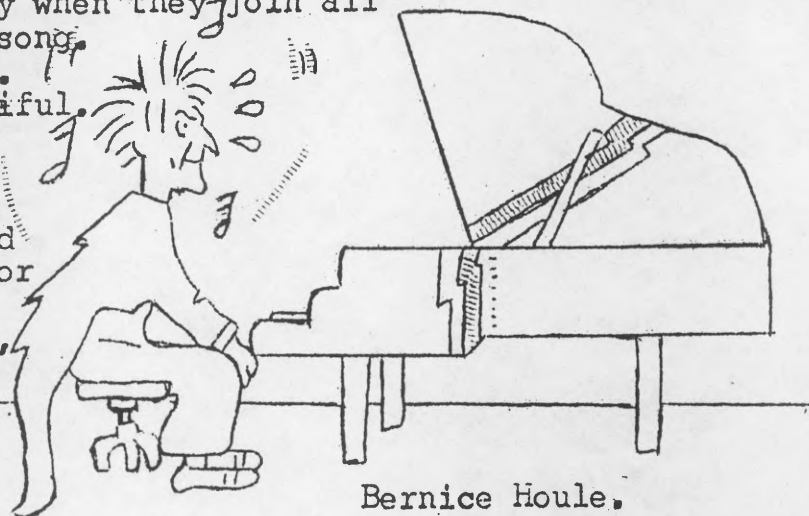

For the past two weeks we have been terribly busy in trying to prepare for the Christmas concert which is being held here on Sunday December 11th. We musicians are playing carol duets and it really is a load of fun. The following selections are played by the pianists respectively:

- | | |
|---------------------------------------|---------------------------------|
| Audrey MacPherson and Lydia Thomas... | 1. Good King Wenceslas. |
| | 2. Sing All We Merrily. |
| Charlotte Grieves and Maggie Wood... | 1. Silent Night. |
| | 2. Away in a Manger. |
| Dorothy Cook and Mary Kakegumick.... | 1. O Little Town Of Bethlehem. |
| | 2. O Come All Ye Faithful. |
| Mary L. Beaulieu and Alice Knott.... | 1. Hark the Herald Angels Sing. |
| | 2. Jingle Bells. |
| | 3. Deck the Halls. |
| Bernice Houle and Iris Henry..... | 1. The First Noel. |
| | 2. O Faithful Pine. |

Mr. J. Lambert is also preoccupied with his girls' choir. There are approximately thirty girls in this singing group. There are six girls singing the alto; the rest are singing the soprano. Believe me, they really sound heavenly when they join all their voices for the opening song. It's entitled "You Can Smile". It is really lively and beautiful.

This is also Sr. Tougas' choir of girls that will sing for the Nativity scene in the concert "In Dulcibus Jubelo" and "Jesus is Born" were chosen for these sensational singers.

Now, from our Music Room, we will say, "Merry, Merry Christmas and a Happy, Happy New Year".

Bernice Houle.

Sport

Basketball

Dearest Parents and Readers:

Skating is the favourite recreational activity for this time of the year. Every girl has a pair of white figure skates and everyone is extremely happy to be that fortunate. We certainly enjoy doing the lovely figures on the ice although there are quite a few falls to be remembered for a long time afterwards.

We are all looking forward to a new sport activity in the girls' athletic field. Mr. Marchildon is now preparing two ice sheets for the opening of our new out-door "Jam-Can Curling". The girls are all anxious to throw their first can along the icy-way. This new type of physical activity will certainly be the predominant one for all of us.

It is evident that the girls are taking greater interest in sports than they did in the previous years. They are all aware of the good results brought about by all their benefiting out-door exercises.

On behalf of all the girls, I'd like to express my sincere gratitude to our devoted Father Principal for his kind cooperation in giving us all these athletic facilities.

Until our next issue- "Cheerio". Wishing one and all "Happy Holiday Season" and all the best for 1961.

Mary Kakegumick.

Lady Nancy Astor, who is noted for her sharp tongue, once got annoyed with Churchill. "Winston", she said sharply, "if you were my husband I'd put poison in your coffee". "Nancy," replied Churchill, "if I were your husband I'd drink the coffee."

Sports

Here we are again with latest report on Sports in Assiniboia High.

The football season ended by a trip to Lebret, which is about three hundred and sixty miles away. Our team arrived there in high spirits, hoping for a victory, but the opposition proved to be superior. In spite of the defeat, our players showed good sportsmanship and perseverance right down to the last whistle which closed the game. Nevertheless, the team really enjoyed their journey.

Since the cold winter weather ended, our football season, it invited us to "Hockey", another sport very popular in our major school activities. As soon as the weather permitted skating on the rinks the air was filled with excitement for soon we would be playing hockey. Mr. Marchildon divided the boys in their respective teams according to age. The teams are - Juveniles, Midgets, and the Intermediates. Since then, daily practice is quite common around here.

All the organized teams saw their first exhibition game against their future opponents. The Intermediates won by a score of 15-4, the Juveniles by 8 - 2, and the Midgets weren't so lucky, for they lost with a score of 8 - 2. Other future games are expected before the players enter in town leagues.

Our supervisor, Mr. Marchildon, organized a house league of

Boys' Sports Continued.

hockey. There are five teams each named after the national hockey contestants, namely, Red Wings, Boston, and the Maple Leafs. Even Reverend Father O. Robidoux, our school Principal, is among the list of players in the intramural league. For an old timer he is still pretty good on defence.

Well friends, Good bye until we come again with another report of new victories and naturally, some defeats.

Matnew Beaver.

One sweet young thing arrived at her first football match after the first half. "The score is nothing to nothing," she heard a fan say. "Oh, good," she cooed to her escort. "Then we haven't missed a thing."

Chap invited his girl friend to go to the dog races. On the way to the track she was unnaturally quiet. "I've been thinking," she said finally. "Dog races? Who rides them?"

An uprooted tree suspended on chains from a crane suddenly swung round into the street and hit a parked car. The car driver jumped out and looked over the damage. "You've got to come with me and explain this to my husband," she said to one of the men.

He assured her that his company would pay for having the dent taken out, but the woman was adamant. "It isn't the money," she explained, "I want a witness with me when I tell my husband I was hit by a tree."

HOW TO MAKE A CAKE: Light oven: get out utensils and ingredients. Remove blocks and toy cars from table. Grease pan, crack nuts.

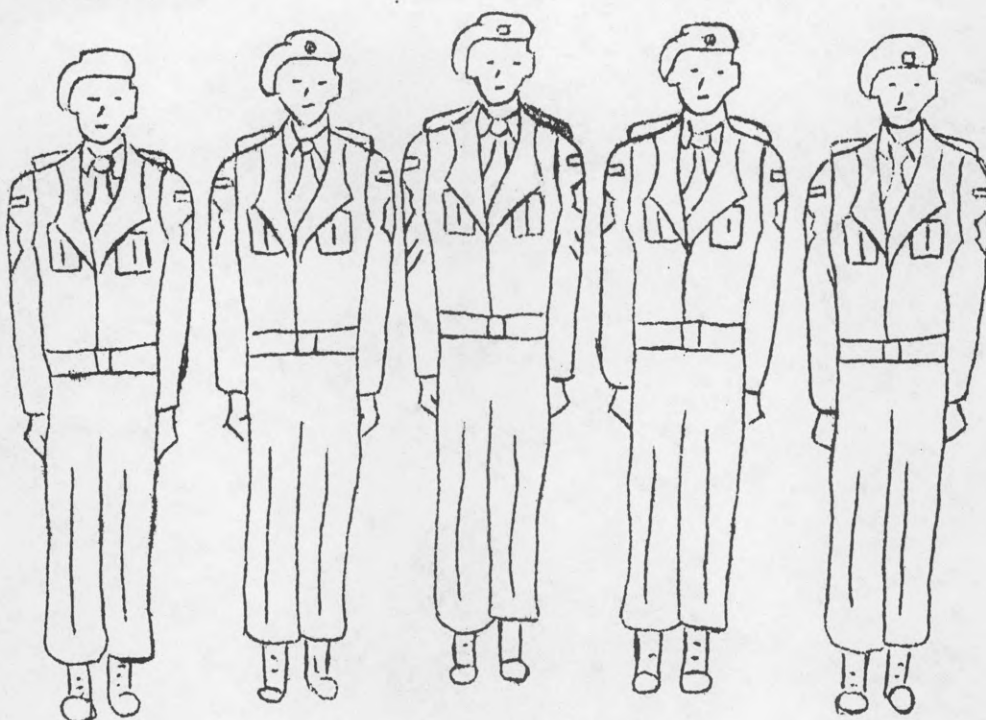

Measure two cups of flour: remove Johnny's hands from flour: wash flour off him. Re-measure flour.

Put flour, baking powder and salt in sifter. Get dustpan and brush up pieces of bowl Johnny knocked on floor. Get another bowl. Answer door-bell.

Return to kitchen. Remove Johnny's hands from bowl. Wash Johnny. Answer phone. Return. Remove $\frac{1}{2}$ inch of salt from greased pan. Look for Johnny. Grease another pan. Answer telephone.

Return to kitchen and find Johnny. Remove his hands from bowl. Take up greased pan and find layer of nutshells in it. Head for Johnny who flees knocking bowl off table. Wash kitchen floor, table, walls, dishes, Telephone baker. Lie down.

ASSINIBOIA

CADET CORPS

Hello Friends;

This is our second issue of "Assiniboia Highlights" this term. We hope you have enjoyed reading our previous report on our Assiniboia Cadet Corps.

The second year Cadets are being taught about the skills of rifle shooting, rifle precautions, map-using and first aid. Later, they will have field craft and weapon training.

The first year Cadets are learning the principles of drill. They are being taught that cadet discipline is a tool for building up strong characters as well as healthy bodies.

Still more than last year, our Cadet Corps shows eagerness to accept with vigour and determination all the duties clearly stated by the Army Cadet Officers.

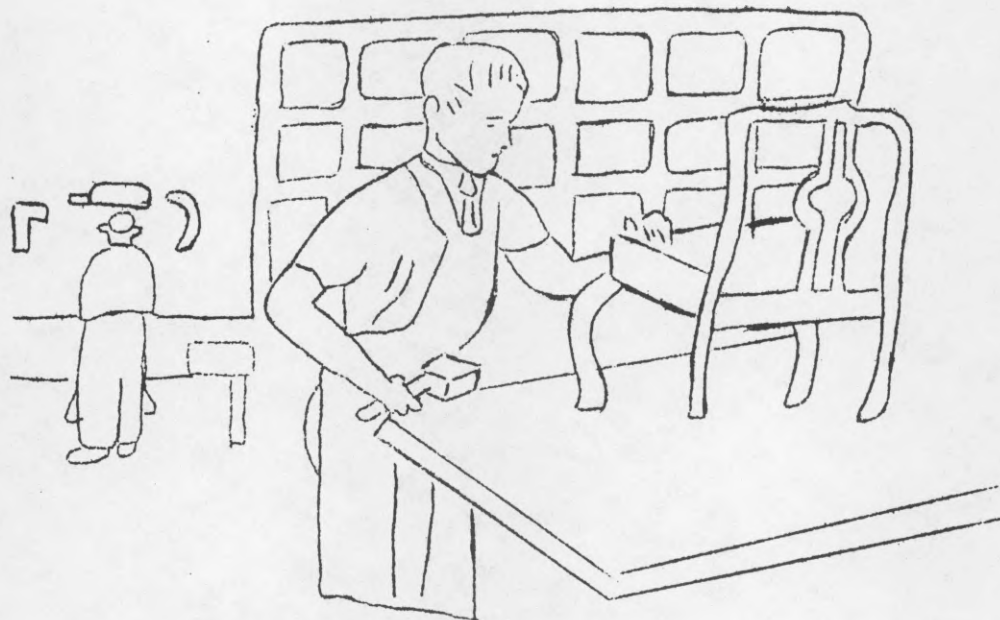

The number of our Cadet Corps was reduced when the former Grade XI Cadets resigned due to the great pressure of study. We now have approximately forty-four eager and serious Cadets. We have Cadet Training every Tuesday from four O'clock to six.

Friends, we hope you enjoy reading our December issue of "Assiniboia Highlights".

We all wish you a Merry Christmas and a Happy New Year.

Carlson Flett.

Manual Training

Dear Readers;

In the last issue of "Assiniboia Highlights", we left out completely the subject of Manual Training, because we had no information. This time we managed to get some and so here it is.

In the shop, there are three different groups of boys: each group going to the shop once every six days. These boys are from Grades eight and nine. Group from Grade nine would be too crowded if they all went, so their instructor has divided them into two groups making the task easier to handle.

Projects they have been making since September were for the purpose of giving the students a basic idea about Manual Training. These projects were shoe shine boxes, made especially for the Cadet Corps which is in operation in School for the whole year. Another project which proved to be a masterpiece was a table on coasters for Sister Superior.

After they finish this, the instructor plans to have the boys go into tincraft and electricity. Well, this is all the news available concerning Manual Training.

Wishing all readers a Very Joyous Christmas and Happy New Year.

Wilfred Mousseau.
